Dear Customer

In today's world of bewildering complexity, rapid change and evolving markets, organisations need to devote all their focus to meeting emerging business challenges. It is imperative therefore that the internal services that support this outward focus should be unobtrusive, seamless and unquestionably cost-effective.

One such internal support service is the provision of office supplies in all their various forms-whether writing instruments or computer accessories or automation peripherals or even furniture. This is necessary activity but surely one that can benefit from a one-stop solution provided by specialists.

Thank you for making **Office Zone** leading Office Supplies brand in the market.

We are pleased to introduce ourselves as one of the Leading Suppliers of Office Products and Solution in India.

Incepted in 2007, based in millennium city Gurgaon India. We have in our ambit a wide variety of Office Supplies products that encompasses Office Furniture Series, Office Equipments Series, Office Hygiene Products Series, and Office Stationery Products Series.

We would like to share with you that **Office Zone** products and services are now available at Company's flagship modern retail stores in Gurgaon – 122001 (M.G. Road Sec- 14) & New Gurgaon -122004 (Rampura N.H. - 8 Sec-82A) & R.T.R.S. Shopping Complex, Sector-11, Delhi Road, Rewari44.

We have plans to open **Office Zone** modern retail stores Pan-India through Company Owned and Company Operated / Regional Franchisee Stores Format.

We wish to bring you **Best Products! Best Services! Best Price!**

We also proud to introduce in this catalog a full line of quality Office Supplies Products and Services under the brand name of **Office Zone** offered at low prices to help you save more money!

We provide '**Value for money**' products to the ever discerning customer in the changing dynamics of the marketplace & offer our customer a large product range in which each product is hand –picked to meet the most stringent global standards.

Our strict quality control and range of products have made us one of India's leading distributor, retailers and suppliers of Office Products & Solution.

The range provides complete **Office Supplies Series, Office Furniture Series, Office Hygiene Products Series & Office Stationery Series**. For the corporate world and meets different requirement of different individuals.

As befits the leading brand in market Office Zone will offer you services, variety and prices that are unbeatable and backed by a purchasing & delivery systems designed to make it economical and efficient for your firm to satisfy all of its needs under one roof.

Our customer service representative will be delighted to be of assistance to you weather you request to meeting in person or order by facsimile or telephone or through our dedicated web-portal. If you prefer to enjoy our wide selection of products in person please come and visit one of the Office Zone modern retail store located near you or else shop online through our shopping module at

www.officezone.in

ND SYSTEMS 'N' DÉCOR (An ISO 9001:2008 Certified Co.)

is one of the corporate division of ND Group. Established in the millennium city of Gurgaon in 2007, It is backed by group's decades of experience and expertise of office products & solutions.

ND Systems 'N' Decor delivers a full range of schedule. Office products & solutions to commercial establishments and industries. As clients can differ in the type of requirements, so we can tailor our services to suit our clients requirements.

The company has always been ready to initiate change, rethink objectives, take radical actions and become extremely inventive in just 6 years, the company has earned the confidence of the corporate and industries owners all over NCR of Delhi.

The core believe in the milestone of success has been that of honesty and integrity and it is the innovative minded approach that has helped the company, carve a niche for itself.

We delight in presenting premium quality in all we offer. No matter how big the project, or how small the request, we strive for excellence in our response, for we relish perfection. We cherish our company, and represent it with honor.

Our strength lies in building customer partnership and ensuring a synergetic approach in our service delivery. This commitment to customer satisfaction, paired with the outstanding quality in our products and service are the reason for our customers selecting us as their preferred office products & solution provider.

As dedicated specialists we invest heavily in staff training and their health & safety. All of our team members are carefully vetted, reliable, professionally trained and experts in all areas of commercial and industrial working, to meet the highest expectations

Corporate Strategy

A Straight Forward and clearly defined strategy guides **ND Group** daily actions. Our corporate strategy is to continually expand the range of related products and services we offer to existing customers, This has been and remains today - key to **ND Group** continued success and growth.

Green Products & Services - Using right products in right way

The company sources and uses globally renowned eco-friendly line of sustainable office products and solution which are good for people, our planet & great for your business.
